To: Kite, Robin
Subject: Request for redraft of 2009 AB 958

Robin,

We would like to get 2009 AB 958 redrafted for this session and I believe you drafted the bill for us last session. The bill deals with the DNR having to submit a request to JFC before spending money from the Pittman-Robertson Fund. No changes are needed to the bill.

Also, we would like to ask that a rush be put on the bill. Please let me know if you have questions.

Thank you.

David Fladeboe

2009 ASSEMBLY BILL 938

April 15, 2010 – Introduced by Representatives ~~SUDER, VOS, ZIGMUNT, SPANBAUER, BROOKS and RIPP~~, cosponsored by Senators ~~KREITLOW, DECKER, TAYLOR, COWLES and SCHULTZ~~. Referred to Committee on Natural Resources.

- Reyn*
- 1 AN ACT *to renumber* 29.037; and *to create* 29.037 (2) of the statutes; relating
- 2 to: review by the Joint Committee on Finance of the expenditure of certain
- 3 federal funds by the Department of Natural Resources.

Analysis by the Legislative Reference Bureau

Under current law, this state receives federal funds under the Federal Aid in Wildlife Restoration Act, commonly known as the Pittman–Robertson Act (federal act), to assist this state in implementing certain wildlife restoration projects. Under current law, the Department of Natural Resources (DNR) is authorized and directed to perform any acts necessary to establish cooperative wildlife restoration projects in compliance with the federal act. This bill prohibits DNR from expending any federal funds received under the federal act unless it first notifies the Joint Committee on Finance (JCF) in writing of the project or activity for which it proposes to expend those funds. Under the bill, JCF may schedule a meeting to review DNR's proposal within a specified period of time. If JCF does not schedule such a meeting within that time, DNR may expend the funds as proposed. If JCF does schedule a meeting, then DNR may not expend the funds until the project or activity is approved by JCF.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

ASSEMBLY BILL 958

SECTION 1

1 ~~SECTION 1. 29.037 of the statutes is renumbered 29.037 (1).~~

2 **SECTION 2.** 29.037 (2) of the statutes is created to read:

3 29.037 (2) The department may not expend funds from the appropriation under
4 s. 20.370 (1) (my) that were provided to the department under 16 USC 669 to 669i 669k
5 unless the department first notifies the joint committee on finance in writing of the
6 project or activity for which the department proposes to expend the funds. If the
7 cochairpersons of the joint committee on finance do not notify the department within
8 14 working days after the date on which the department notifies the committee of the
9 proposal that the committee has scheduled a meeting to review the proposal, the
10 project or activity may be implemented and funds may be expended as proposed by
11 the department. If, within 14 ^{working} days after the date on which the department notifies
12 the committee of the proposal, the cochairpersons of the committee notify the
13 department that the committee has scheduled a meeting to review the proposal,
14 funds may be expended only after the project or activity has been approved by the
15 committee.

16 (END)

2011-2012 DRAFTING INSERT
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2812/lins.
RNK:.....

INSERT 2-1

SECTION 1. 29.037 of the statutes is renumbered 29.037 (1) and amended to read:

29.037 (1) **Fish and wildlife restoration.** This state assents to the provisions of 16 USC 669 to ~~669i~~ 669k and 777 to 777L. The department is authorized and directed to perform any acts necessary to establish cooperative wildlife restoration projects and cooperative fish restoration and management projects in compliance with these federal provisions and with regulations promulgated by the secretary of the interior. No funds accruing to this state from license fees paid by hunters and from sport and recreation fishing license fees may be diverted for any other purpose than the administration of the department when it is exercising its responsibilities that are specific to the management of the fish and wildlife resources of this state.

History: 1997 a. 248 s. 402; 2001 a. 16.
